**The Jr. NBA Philosophy**

I pledge to support the **Jr. NBA Philosophy** of teaching the fundamentals of basketball and using the sport to instill core character values. The pillars of the Jr. NBA presented by Under Armour include:

- **FUNDamentals** – Teaching basic basketball skill development in a positive, encouraging and fun environment is rewarding for all involved
- **Hard Work** – Emphasizing how to compete – with a focus on working hard and competing to the best of your ability – is more important than the outcome of games won and lost
- **Respect** – Exhibiting a positive attitude toward players, coaches, parents, officials and teammates is how we honor the game and each other
- **Sportsmanship** – Playing the right way, the Jr. NBA Way, is centered on fair, ethical and honest competition
- **Teamwork** – Working together in a supportive manner for a common goal fosters positive social and personal development
- **Healthy Living** – Exercising regularly benefits both mind and body – leading to better health outcomes, greater energy levels, and enhanced classroom performance

I pledge to play the “The Jr. NBA Way” promoting the positive development of young people through basketball, helping to instill a lifelong passion for the game, and following the Jr. NBA Philosophy.
